Political Reminiscences of Some for hard work, and they drummed in enough of New York's Well-Known Men.

James Martin Tells of a Scheme to Steal the Tammany Wigwam.

Hubert O. Thompson Packed the Columbian to the mystic fellowship of the descendants Order with His. Partisans.

They Were to Vote Out the Political Society. But Were Foiled.

"I have been intensely interested in the happenings 'In Days Gone By,' and have read the reminiscent stories of the old warborses with much pleasure," said James J. Martin, the rising young lawyer and stanch Tammany Hall man of the Eighteenth Assembly District.

"There is one little incident of a dozen years or so ago that I have not seen in print, and that is, indeed, known to but

THEY HAD A PEW HOURS FOR HARD WORK. A unique figure in New York politics a dozen years ago was Hubert O. Thompson, protege of Samuel J. Tilden. Thompson was not yet thirty years old, but he had a born politician. grasp of iron upon the politics of this town, and made life miserable for Tammany Hall men for a time. His brain fairly teemed with schemes for the annoyance of the or two, and the District Committee had with schemes for the annoyance of the or two, and the District Committee had Will S. Hising and Hobert Graham are to several of the premature politicians start lighter next season in a musical farce-

'Tammany Society, or Columbian Order,' a commended the nomination of Cleveland, it for Lee ferry boats. the Tammany Hall political organization. was the duty of Irving Hall to make some In this Society then, as now, there were men who were bitterly opposed to the dorse the entire Tammany Hall local ticket. political organization. Republicans, Irving as it thoroughly represented the young men aged him. He has returned to journalism, Hall men and men of other political affilia. of the Democratic party.

Order enough political opponents of John to vote for Grant. elly and his followers to control the social organization.

"The social organization owned the Wigwam in Fourteenth street, and when H. O. paign Club, and worked like benvers for the T. had gathered into the tepee enough young men's candidate. friends for a good working majority, it was his intention of amending the constitution or by-laws of the Society by the insertion of section forever prohibiting the sachems from renting or leasing the building or any part of it to any political organization or permitting any political organization to franchise to the Broadway Surface Rail-

NO CORKSCREW NEEDED.

Novel and Easy (?) Method of Opening a Bottle of Sods.

Said Ctesibius to his pupil: "Heron, will you have a glass of soda?" "I don't care if I do," said Heron.
Wherepon Clesibius produced a quaint
glass bettle, having a thick, conical
bottom, and containing a liquid said

to be soda water.
"Here my boy," said he, "here is your soda; de ak it without removing or perferating the cork or breaking the neck of the bott's Heron scratched his head, and revolv-

ing the bottle in his hand, while the problem was going through a similar evolution in his brain, said: well know, dear teacher, I am up in mathematies, proficient in mechanics and not behind the age in pacumatics and hydraulics, but for this problem I have no solution.

"Heat! Unequal expansion!" said Ctesibins, impatiently.

Heron, being an apt scholar, needed no farther hint, says the Scientific American. Lighting a candle he held it under the thick, conical end of the bottle, and in less than a minute by the clepsydra the bottom of the bottle cracked around, the pressure from within blew out the defacled piece, and the soda was discharged with a fizz into the tumbler. The rest goes without saying. well know, dear teacher, I am up in
